### LEARNING ENVIRONMENT PROFILE

General Information	<a href="http://www.iow.nhs.uk/Working-With-Us/learning-zone/student-welcome.htm">http://www.iow.nhs.uk/Working-With-Us/learning-zone/student-welcome.htm</a>
Description of Service and Client Group	<p>The Memory Service Team provides specialist level mental health care to people with dementia and cognitive impairment and their carers on the Isle of Wight.</p> <p>There is an estimated 840,000 in the UK with Dementia and this is expected to double in 30 years to 1.4 million. The Isle of Wight demographic has a high proportion of people over 65 years and it is estimated that there are approximately 2,669 people with dementia living on the Isle of Wight (JSNA 2011).The Team works alongside Commissioners and GP colleagues to promote the need for diagnosis for people with dementia and cognitive impairment and early referral to the Memory Service.</p> <p>The service includes:</p> <ul style="list-style-type: none"> <li>• Memory Service Community Team</li> <li>• Cognitive Stimulation Therapy Groups</li> <li>• In-patient Liaison</li> <li>• Admiral Nurses</li> </ul>
Description of related services & Client group	The service is delivered according to care clusters for groups of patients with different needs in line with Department of Health, Payment by Results (PbR) guidance, adapted to local need and commissioned through the Care Commissioning Group. This policy reflects only the role of NHS health care in the Dementia Care Pathway.
