

**Conditions of joining a Specialty Training Programme
(Note: this is NOT an offer of employment)**

Dear Dr Plint,

On accepting an offer to join a specialty training programme in the Wessex Deanery, I agree to meet the following conditions throughout the duration of the programme:

- to always have at the forefront of my clinical and professional practice the principles of *Good Medical Practice* for the benefit of safe patient care. Trainees should be aware that *Good Medical Practice* (2006) requires doctors to keep their knowledge and skill up to date throughout their working life, and to regularly take part in educational activities that maintain and further develop their competence and performance
- to ensure that the care I give to patients is responsive to their needs, that it is equitable, respects human rights, challenges discrimination, promotes equality, and maintains the dignity of patients and carers
- to acknowledge that as an employee within a healthcare organisation I accept the responsibility to abide by and work effectively as an employee for that organisation; this includes participating in workplace based appraisal as well as educational appraisal and acknowledging and agreeing to the need to share information about my performance as a doctor in training with other employers involved in my training and with the Postgraduate Dean on a regular basis
- to maintain regular contact with my Training Programme Director (TPD) and the Deanery by responding promptly to communications from them, usually through email correspondence
- to participate proactively in the appraisal, assessment and programme planning process, including providing documentation which will be required to the prescribed timescales
- to ensure that I develop and keep up to date my learning portfolio which underpins the training process and documents my progress through the programme
- to use training resources available optimally to develop my competences to the standards set by the specialty curriculum
- to support the development and evaluation of this training programme by participating actively in the national annual GMC Training Survey and any other activities that contribute to the quality improvement of training
- to ensure that the Wessex Deanery are informed of any changes to my contact details

I acknowledge the importance of these responsibilities. If I fail to meet them I understand that the Postgraduate Dean may require me to meet with him/her to discuss why I have failed to comply with these conditions. I understand that this document does *not* constitute an offer of employment. I also confirm that I have read and understood the Deanery "Learning Agreement Data Protection Notice".

Yours sincerely
