

Freedom of Information Act Published on Trust Website – August 2014

FOI Number	Questions and Responses
FOI14 257	<p>Please provide the following information:</p> <p>Please note the Isle of Wight NHS Trust came into existence on the 1.4.12 therefore we do not hold information prior to this date. If you require information prior to this date please contact the Department of Health.</p> <ol style="list-style-type: none"> 1. For each of the past five financial years – 2009-10 to 2013-14 – I would like the total number “serious untoward incidents” recorded at the trust. Response – 268 2. For each of the last five years, I would also like the total number of “never events” (or similar) recorded at the trust. Response – 1 3. For the 2013/14 financial year, I would like a breakdown containing details of each serious untoward incident and never event. The breakdown should include a description of what happened, an indication of whether the patient suffered harm and if so, the extent of the harm, as well as the name of the hospital where it happened. Response – Please find attached an excel spreadsheet which contains some of the detail you have requested. Further clinical detail constitutes personal data as defined within the Data Protection Act 1998 and is therefore exempt under s.40(2) of the Freedom of Information Act 2000. <p>Please note that this response does not constitute as consent for direct marketing.</p> <p>A copy of this response will be published on the Trust website.</p>
FOI14 261	Please provide the following information:

Please note the Isle of Wight NHS Trust came into existence on the 1.4.12 therefore we do not hold information prior to this date. If you require information prior to this date please contact the Department of Health.

1) Do you employ any doctors working in adult or children's ENT / Otolaryngology services?

If 'No' – please simply reply with confirmation that you do not employ any ENT / Otolaryngology Surgeons.

If 'Yes' then please supply the following information:

a) The number of permanent (not locum) consultant ENT / Otolaryngology Surgeons you employ.

Response - 3

b) The first and last names or first and last initials of these Consultant.

Response - Names of staff constitute personal data as defined within the Data Protection Act 1998 and is therefore exempt under s.40 (2) of the Freedom of Information Act 2000.

c) How many of these surgeons are males, and how many are female?

Response - All 3 are male.

d) How many of these surgeons are full time and how many are less than full time?

Response - All 3 are full time.

2a) The number of Locum Consultant ENT / Otolaryngology Surgeons you employ?

Response - None.

b) The first and last names or first and last initials of these Locum Consultants?

Response - N/A.

c) How many of these surgeons are male, and how many are female?

Response - N/A.

d) How many of these surgeons are full time and how many are less than full time?

Response - N/A.

3a) The number of permanent Associate Specialist ENT / Otolaryngology Surgeons you employ?

Response - 0

b) The number of locum Associate Specialist ENT / Otolaryngology Surgeons you employ?

Response - None.

c) How many of these surgeons are full time and how many are less than full time?

Response - N/A.

4) The number(s) and job title(s) of all other doctors employed in the ENT / Otolaryngology department at any level of responsibility e.g. 3 Speciality Doctors, 2 Speciality Registrars, 2 fellows, 4 FY2's etc. Please indicate for each post whether it is filled with a permanent or a locum employee. Please also indicate any posts filled by less than a full time doctor.

Response - 3 Consultants only.

5) The number(s) and job titles of any vacant posts which are not included in the information already given.

Response - N/A.

Please do give any clarifying information you feel may be helpful in understanding the medical staffing levels in your ENT/ Otolaryngology department (s) e.g. a locum filling in for maternity leave of a permanent member of staff, and for non- standard posts e.g. Trust fellow please indicate what level they are working at e.g. SHO, Registrar equivalent etc.

Please note that this response does not constitute as consent for direct marketing.

A copy of this response will be published on the Trust website.

FOI14 264

Please provide the following information:

Please note the Isle of Wight NHS Trust came into existence on the 1.4.12 therefore we do not hold information prior to this date. If you require information prior to this date please contact the Department of Health.

How many patient information leaflets do you produce?

Response – We have 469 patient information leaflets on our database

How many new leaflets are produced each year and how many are reviewed

Response – It is not possible to answer this, as it is variable.

How is the content derived for each leaflet?

Response – Content is derived from the clinical areas generating the leaflets based on best clinical practice / guidelines.

How much does it cost to produce the leaflets?

Response – These are done in house so there are no external cost. Internal costs would vary according to size and design.

How many staff are involved in the production of the leaflets?

Response – We employ 5 staff in our print room.

Who is in charge of the production of the leaflets?

Response – The printroom department produce our leaflets.

Who is responsible for the accuracy of the leaflets?

Response –

The above question was changed to staff involved in formatting, approving and printing following our request for clarity.

Response:

	<p>Formatting is done either by the authors themselves or by appropriate members of the Quality Team. The approval process varies according to directorate; Trustwide leaflets are sent to the Patient's Council. Community leaflets are discussed at a local group with cross section of senior staff and the Acute and Planned are discussed at the Joint Quality, Risk & Patient Safety Committee attended by senior members of staff and key members of the directorates. Printing is requested by departments and fulfilled by the Print Room.</p> <p>Are they freely available on the Hospital Web Site? Response – They are currently not available on the Hospital Web Site, but will be in the near future.</p> <p>Please note that this response does not constitute as consent for direct marketing.</p> <p>A copy of this response will be published on the Trust website.</p>
FOI14 265	<p>Please provide the following information:</p> <p>Please note the Isle of Wight NHS Trust came into existence on the 1.4.12 therefore we do not hold information prior to this date. If you require information prior to this date please contact the Department of Health.</p> <p>Under the Freedom of Information Act 2000, I would be grateful if you could provide me with the following information:</p> <p>1) In the financial year 2013/14, (a) how many tenders for NHS services did you assess for a possible bid, and (b) of these, how many did you actually bid for?</p> <p>Response</p> <p>ANSWER</p> <p>a) In 2013/14, the number of tenders for NHS services assessed for a possible bid by the trust: 4_____</p>

	<p>b) Of these, the number of tenders for NHS services the trust actually bid for: 2_____</p> <p>2) What was the cost for the trust of bidding for the last service tender that you did? If you cannot provide an exact figure, please provide an estimate to the nearest £10,000. Please include staff costs, administrative costs and expenses, and the costs of any external and legal advice.</p> <p>Response –</p> <p>ANSWER</p> <p>The cost (or an estimate of the cost) for the trust of bidding for the last service tender that you bid for: £25,000</p> <p>3) For the last service tender that you assessed for a possible bid but did not bid for, what was the cost of assessing the tender for a possible bid? If you cannot provide an exact figure, please provide an estimate to the nearest £10,000. Please include staff costs, administrative costs and expenses, and the costs of any external and legal advice.</p> <p>Response –</p> <p>ANSWER</p> <p>The cost (or an estimate of the cost) for the trust of assessing the tender for a potential bid: £3000_____</p> <p>Please note that this response does not constitute as consent for direct marketing.</p> <p>A copy of this response will be published on the Trust website.</p>
FOI14 268	<p>Please provide the following information:</p> <p>Please note the Isle of Wight NHS Trust came into existence on the 1.4.12 therefore we do not hold information prior to this date. If you require information prior to this date please contact the Department of Health.</p>

	<ul style="list-style-type: none"> • Total number of days lost to sick leave over the last 12 month period calculated, FTE Response – FTE Days Lost 40274.77 • Sickness absence rate percentage calculation (standard NHS/HSCIS reporting) Response - Rates have been calculated by dividing the “Full Time Equivalent (FTE) Number of Days Sick” by the “FTE Number of Days Available”. (40274.77 / 970643.74 = 4.15%) • The total cost of sick leave over the last 12 month period calculated Response - The information required to respond to this question is not held to a sufficient level of detail to provide an accurate and true reflection of the total ‘cost’ of sickness absence. • The total cost of staffing over the last 12 month period calculated Response - £116,520,000 <p>Also, with regards the staff number provided previously, is this FTE/WTE, or headcount? If headcount, could you provide a FTE figure? Is the total days lost to sick leave figure provided FTE/WTE, and if not could this be provided? Response - FTE.</p> <p>Please note that this response does not constitute as consent for direct marketing.</p> <p>A copy of this response will be published on the Trust website.</p>
FOI14 269	<p>Please provide the following information:</p> <p>Please note the Isle of Wight NHS Trust came into existence on the 1.4.12 therefore we do not hold information prior to this date. If you require information prior to this date please contact the Department of Health.</p> <p>1a. How many Mitrofanoff surgical operations has your Trust conducted since its inception in the early 1980's? Response – Zero for the period 01/04/2012 to date</p>

or
1b. (Recognising that the information for 1a may not be held or time and resource intensive) How many Mitrofanoff surgical operations has your Trust conducted within the past year?

Response –
N/A

2a. Quantitative data regarding the ages of patients undergoing the Mitrofanoff procedure
Or

Response –
N/A

2b. (Where disclosing the age may contravene Section 40 restrictions by enabling identification of persons) Quantitative data regarding the average age of patients undergoing the Mitrofanoff procedure by either - age brackets (1-10, 11 - 20 etc.) or the mean average.

Response –
N/A

3. The success rate of Mitrofanoff procedure operations conducted by your Trust, measured by the number/requirement of re-admissions for a surgical revision in 12 months.

Response –
N/A

4. How many surgeons in your trust are trained to conduct the Mitrofanoff procedure?

Response –
N/A

5. Of the number of surgeons in the result of 4, how many have conducted less than 10 Mitrofanoff procedure operations within the past 12 calendar months?

Response –
N/A

	<p>Please note that this response does not constitute as consent for direct marketing.</p> <p>A copy of this response will be published on the Trust website.</p>
FOI14 272	<p>Please provide the following information:</p> <p>Please note the Isle of Wight NHS Trust came into existence on the 1.4.12 therefore we do not hold information prior to this date. If you require information prior to this date please contact the Department of Health.</p> <p>I am writing to request information under the Freedom of Information Act 2000. In order to assist you with this request, I am outlining my query as specifically as possible.</p> <p>I would like to be provided with details of contracts awarded by your organisation in the last five years, or since it was established (whichever dates back longest).</p> <p>This would ideally be provided in spreadsheet or delimited text format and include the following details, or their nearest equivalent as categorised within your system:</p> <ul style="list-style-type: none">- Internal Reference Number;- Department;- Name of Product/Service;- Date Tender Issued;- Number of Tenders Received;- Award Value Excluding VAT;- Award Value Including VAT;

	<ul style="list-style-type: none"> - Awarded Supplier; - Start Date of Contract; - Duration of Contract (Time). <p>Response – Please find attached. The Trust was established on 1 April 2012 so we have provided contracts live at that date and awarded since that date as opposed to been awarded over the past 5 years. We have also included all the inactive contracts which have now expired or been superseded by others. However, this information does not include the tender return dates nor the names of the tenders, this information would need to be manually sought by looking through previous approval documents which would take over 18 hours to complete and is therefore exempt under s.12 of the Freedom of Information Act 2000.</p> <p>Please note that this response does not constitute as consent for direct marketing.</p> <p>A copy of this response will be published on the Trust website.</p>
FOI14 273	<p>Please provide the following information:</p> <p>Please note the Isle of Wight NHS Trust came into existence on the 1.4.12 therefore we do not hold information prior to this date. If you require information prior to this date please contact the Department of Health.</p> <p><i>How many employees does your organization currently have?</i> Response – 3,087.</p> <p><i>Who currently is contracted to supply your main fleet of printing devices (MFD's)?</i> Response – Xerox Ltd, Bridge House, Oxford Rd, Uxbridge, Middlesex, UB8 1HS</p> <p><i>What brand of device do they supply you with?</i></p>

Response – Xerox

How many devices do they supply you with?

Response – The implementation of the Xerox Multi functional devices is currently underway. The Trust is also rationalising some of the fleet during the implementation phase. It is expected that the final number of devices will be approximately up to 100.

Do they supply you with an print management software? If so which one?

Response – The Trust has not procured this option, but reserves the right to.

Do they supply you with any scanning software (additional to the software native to the device)?

Response – As the equipment supplied is multi functional, this includes scanning facilities.

When is this contract (for your MFD's) due to expire?

Response – The contract duration is up to 5 years from the completion of the implementation phase of the multi functional device fleet.

What Document Management solution/s do you currently use within your organization?

Response – Meditech and Q-Pulse, both custom designed for Medical Environments

What EPR (electronic patient record), also known as HER (electronic health record) do you have/will you roll out?

Response – ISIS

What PDF software do you pay for? And how many licenses do you pay for (an average per annum would be a good number here please)?

Response – None

Who is the person within your organization responsible for the MFD's and the contract, what is their title, and their

email address please?

Response – Names of staff constitute personal data as defined within the Data Protection Act 1998 and are therefore exempt under s.40 (2) of the Freedom of Information Act 2000.

Please note that this response does not constitute as consent for direct marketing.

A copy of this response will be published on the Trust website.

FOI14 274

Please provide the following information:

Please note the Isle of Wight NHS Trust came into existence on the 1.4.12 therefore we do not hold information prior to this date. If you require information prior to this date please contact the Department of Health.

I am currently conducting research into the costs associated with ciclosporin use in dermatology patients. With this in mind I was wondering if you were able to email me the cost per patient to your hospital (actual hospital costs not the way in which it may be charged to commissioners) for conducting the tests listed below.

Response – This information is not held in the format you have requested.

Test	Cost Per Patient
Full blood count	
Urea & electrolytes	
Magnesium	
Liver function test	
Serum creatinine	
Creatinine clearance	
Estimated Glomerular Filtration Rate	
Radioisotope Glomerular Filtration Rate	
Gamma-glutamyl transpeptidase (GTT)	
Lipid profile	
Fasting glucose test	

Urine test for proteinuria	
Urine test for infection	
Tuberculosis test	
Chest X-ray	
Smear test	
Pregnancy test	
HIV test	
Hepatitis B	
Hepatitis C	
VZV IgG	

Please note that this response does not constitute as consent for direct marketing.

A copy of this response will be published on the Trust website.

FOI14 275

Please provide the following information:

Please note the Isle of Wight NHS Trust came into existence on the 1.4.12 therefore we do not hold information prior to this date. If you require information prior to this date please contact the Department of Health.

1) How many workstations (desktops, laptops and VDI clients) do you have on your estate?

Response – 4361

2) Is your workstation estate covered by a desktop management and asset management software tool?

Response – Yes

3) If so, which vendor and product (eg Microsoft SCCM, Novell ZENworks) do you use?

Response – Microsoft SCCM

4) How many licences do you have currently under maintenance?

Response – Information not held

5) How many mobile devices (eg Smartphones, Tablets, Blackberry) do you support within your estate?

Response – 400

6) Do you have a management/enforcement product supporting mobile devices?

Response – Information not held

7) If so, which product/s do you use?

Response – Information not held

8) How many licences do you have currently under maintenance?

Response – Information not held

9) Which software product do you use for your IT and general service desk tool?

Response – Sunrise Sostenuto

10) When is the renewal due on the maintenance?

Response – 31/12/15

11) Do your users make use of cloud-based storage services such as Dropbox?

Response – No

12) Do you currently have a mobile and desktop file sharing solution that allows "Dropbox-like" functionality to your users?

Response – No

13) If so, which vendor and product do you use?

Response – N/A

14) What file transfer solutions (eg FTP, SFTP, SCP) are you using for moving files in and out of your organisation?

	<p>Response – FTP</p> <p>15) Do you run older (legacy/green-screen/main-frame) systems within your estate? Response – Yes</p> <p>16) How do you connect to the older systems (eg terminal emulation)? Response – Terminal Emulator</p> <p>17) How do you integrate the older systems with newer technologies (eg GUI/NUI front-end making ODBC calls to older/legacy system)? Response – Information not held</p> <p>18) Which directory service/s (eg Active Directory, eDirectory, OpenLDAP etc) do you use within your organisation? Response – Active Directory</p> <p>19) How many users, service accounts and groups do you have in each directory? Response – 4400</p> <p>20) If you run multiple directories, do you synchronise objects between them? Response – information not held</p> <p>21) If so, which software product do you use? Response – information not held</p> <p>Please note that this response does not constitute as consent for direct marketing.</p> <p>A copy of this response will be published on the Trust website.</p>
FOI14 276	Please provide the following information:

	<p>Please note the Isle of Wight NHS Trust came into existence on the 1.4.12 therefore we do not hold information prior to this date. If you require information prior to this date please contact the Department of Health.</p> <p>I am writing to make a request under the Freedom of Information Act regarding the medical treatment of foreign nationals in your hospital/trust.</p> <p>I request disclosure of every unpaid bill for treating foreign nationals (non EU/EEA citizens) for the financial years 2012/2013 and 2013/14.</p> <p>For each case I require: the date of the treatment, the nature of the treatment, the nationality of the patient, the sex of the patient, the age of the patient, the hospital where the treatment was carried out, the amount the treatment cost (estimation is fine), the amount of the treatment cost recovered by the hospital from the patient, if possible an indication of whether the remaining bill for treatment is still being actively sought or has been written-off</p> <p>Response – Please see attached breakdown.</p> <p>Please note that this response does not constitute as consent for direct marketing.</p> <p>A copy of this response will be published on the Trust website.</p>
FOI14 277	<p>Please provide the following information:</p> <p>Please note the Isle of Wight NHS Trust came into existence on the 1.4.12 therefore we do not hold information prior to this date. If you require information prior to this date please contact the Department of Health.</p> <p>1) How many times in the financial year 2012-2013 was a paramedic requested to attend a mental health incident?</p> <p>Response – To ascertain this information would involve a manual examination of patients health records which constitutes personal data as defined within the Data Protection Act 1998 and is therefore exempt under</p>

	<p>s.40(2) of the Freedom of Information Act 2000. The reason for this is cases are not presented to the service via the 999 system as a mental health problem they usually manifest from a primary cause eg. "fall". The defined mental health cases are dealt with by the MH team on the island in conjunction with the police if required.</p> <p>2) How many times in the financial year 2013-2014 was a paramedic requested to attend a mental health incident? Response – As above.</p> <p>3) How many times in the financial year 2012-2013 was a paramedic requested to attend any other incident in which mental health was highlighted as a factor? Response – Please see response to question 1.</p> <p>4) How many times in the financial year 2013-2014 was a paramedic requested to attend any other incident in which mental health was highlighted as a factor? Response – Please see response to question 1.</p> <p>Please note that this response does not constitute as consent for direct marketing.</p> <p>A copy of this response will be published on the Trust website.</p>
FOI14 281	<p>Please provide the following information:</p> <p>Please note the Isle of Wight NHS Trust came into existence on the 1.4.12 therefore we do not hold information prior to this date. If you require information prior to this date please contact the Department of Health.</p> <p>1. Could you please describe the seatbelt, stretcher restraint, and harness systems you currently use as standard for the safe transport of children and infants in your front line emergency ambulances? Could you also please include the age/weight ranges these devices are certified for and the testing standards they meet? Response – Protego child seat which meets ECE 14 & 17 regulations. Stryker Power Pro TL Stretcher and floor Fastener. bulk head three point restraint for children</p>

in the bulkhead chair (rear facing – age 4 to 10).

2. Could you please describe which of the equipment used above is designed specifically for paediatric patient transport rather than being generic to all ages?

Response – Protego child seat which meets ECE 14 & 17 regulations.....Has adaptable cushion and seat belt positions to suit child to adult

3. Approximately how many patients does your service transport to hospital annually, and what proportion of those are under 18?

Response – 14/08/2013 – 14/08/2014 from 999 total transported 14695 of those 963 were under 18 years of age

4. In the financial year 2013-2014 how many ambulance collisions were reported, including all minor incidents?

Response – 26

5. Do you issue any guidance to your staff with regard to the safe transport of children, either on the stretcher or in the ambulance generally, and if so would you be kind enough to send it by email?

Response – No.

6. Would you please provide the number of reported injuries incurred by age for those occupants (staff, patients, and others) of front line ambulances that have been injured in ambulance road traffic collisions for the last 5 years? It would be very helpful if you could present the data in age groups of 5 years, 0-4, 5-9, 10-14 etc. in order to collate the national data effectively. To save time and help to keep the cost of the request below the £450 limit, information regarding the exact nature of the injuries is not required.

Response –

1.4.12 – 31.3.13 – Zero

1.4.13 –31.3.14 – One incident reported harm for two paramedics. One of these was over 18 years old. The age of the other is unknown.

1.4.14 – 31.7.14 - Zero.

7. Would you also please classify by age group and year how many incidents occurred within the aforementioned data set in which:

	<p>Response –</p> <p>a) The individual injured was not wearing a seatbelt, restraint or harness at the time of the accident. - UNKNOWN</p> <p>b) The incident resulted in an injury that required hospital admission. – NOT APPLICABLE</p> <p>c) The incident resulted in a fatality. – NOT APPLICABLE</p> <p>Please note that this response does not constitute as consent for direct marketing.</p> <p>A copy of this response will be published on the Trust website.</p>
FOI14 283	<p>Please provide the following information:</p> <p>Please note the Isle of Wight NHS Trust came into existence on the 1.4.12 therefore we do not hold information prior to this date. If you require information prior to this date please contact the Department of Health.</p> <p>1. What is the annual value of the service? The agreed annual value of this contract was £18,175.00 ex VAT per annum. Actual spend: 2013/14 - £7,308.00 inc VAT</p> <p>2. When was the contract/service level agreement last market tested to ensure best value? The current contract was awarded in November 2011 for a period of 3 years. A competitive process involving 5 suppliers was undertaken to select the chosen provider.</p> <p>3. When will the service be market tested next? The contract is due to expire 30/06/2015, as the system did not become fully operational until 01/07/2012. Therefore, some degree of market testing will take place at this time.</p> <p>4. Who is the person(s) responsible for patient experience within your organisation and what are their postal, phone and email addresses? Response – Names of staff constitute personal data as defined within the Data Protection Act 1998 and are therefore exempt under s.40 (2) of the Freedom of Information Act 2000.</p>

	<p>5. Who is the person(s) responsible for procurement of patient reminder services and what are their postal, phone and email addresses? Response – As above.</p> <p>Please note that this response does not constitute as consent for direct marketing.</p> <p>A copy of this response will be published on the Trust website.</p>
FOI14 288	<p>Please provide the following information:</p> <p>Please note the Isle of Wight NHS Trust came into existence on the 1.4.12 therefore we do not hold information prior to this date. If you require information prior to this date please contact the Department of Health.</p> <p>1) Has the trust actively recruited a) nurses and b) doctors from: i) the EU/EEA (not including the UK)? ii) foreign countries outside the EU/EEA (ie who have been registered through the Overseas Nurses Programme)? Response - i) Nurses = 16 Doctors = 37 ii) Nurses = 16 Doctors = 36</p> <p>Please give a total figure if this split is not calculable.</p> <p>2) Has the trust sent recruiting teams abroad for this purpose? Response - No.</p> <p>3) What is the trust's total number of employed a) nurses and b) doctors? Response - Nurses = 1176 Doctors = 263</p>

4) What is the number from abroad/who hold foreign nationality who are employed by the trust as a) nurses and b) doctors?

Response -

Nurses = 73

Doctors = 65

I would like these figures from May 2010 to present day.

Please note that this response does not constitute as consent for direct marketing.

A copy of this response will be published on the Trust website.

Please provide the following information:

Please note the Isle of Wight NHS Trust came into existence on the 1.4.12 therefore we do not hold information prior to this date. If you require information prior to this date please contact the Department of Health.

<u>Q1.</u> How many people with Hidradenitis Suppurativa (HS) are under the care of your Trust in total?	We do not hold this information
--	--

<u>Q2a.</u> How many individual patients did you see in the out-patients setting in your Trust for Hidradenitis Suppurativa (HS) in the last 12 months? <i>(NB: Please count each individual patient only once, even if they had multiple appointments)</i>	We do not hold this information
--	--

<u>Q2b.</u> How many out-patients appointments did you have in total in your Trust for Hidradenitis Suppurativa (HS) in the last 12 months?	We do not hold this information
---	--

Of these, how many were for:

Dermatology	out-patient appointments
Plastics / general surgery	out-patient appointments

Gynaecology	out-patient appointments
Other department	out-patient appointments

<p>Q3a. How many individual patients were admitted to hospital as in-patients in your Trust for Hidradenitis Suppurativa (HS) in the last 12 months? <i>(NB: Please count each individual patient only once, even if they had multiple admissions)</i></p>	<p>Data provided for period May 2013 to May 2014. Patients admitted with diagnosis code L73.2 in all positions</p> <p>7</p>
--	---

<p>Q3b. How many admissions did you have in total in your Trust for Hidradenitis Suppurativa (HS) in the last 12 months?</p>	<p>Data provided for period May 2013 to May 2014. Patients admitted with diagnosis code L73.2 in all positions</p> <p>7</p>
---	---

Of these, how many were for:

Dermatology	0
Plastics / general surgery	6
Gynaecology	1
Other department	0

<p>Q4. Where do referrals to your Trust come from for Hidradenitis Suppurativa (HS)? <i>(Please tick all that apply)</i></p>	
Local area <i>(please specify)</i>	We do not hold this information

Your region (<i>please specify</i>)	
Anywhere in England / Scotland / Wales / NI (<i>Please delete as appropriate</i>)	
Whole of the UK	

<u>Q5a.</u> How many doctors in your Trust treat Hidradenitis Suppurativa (HS)?	We do not hold this information
Of these, how many are:	
Dermatologists	
Surgeons	
Gynaecologists	
Other speciality (<i>please specify</i>)	

<u>Q5b.</u> Please could you provide names of any doctors treating HS if possible. (<i>Please indicate if you have any doctors who have a particular interest in treating Hidradenitis Suppurativa (HS) patients by highlighting them in bold</i>)
Names of staff constitute personal data as defined within the Data Protection Act 1998 and are therefore exempt under S.40 (2) of the Freedom of Information Act 2000.

<u>Q6.</u> Are Hidradenitis Suppurativa (HS) patients typically discussed at a Multi-Disciplinary Team (MDT) meeting?	We do not hold this information

Please provide the following information:

Please note the Isle of Wight NHS Trust came into existence on the 1.4.12 therefore we do not hold information prior to this date. If you require information prior to this date please contact the Department of Health.

	<p>What formularies and/or guidelines exist for Isle Of Wight NHS Trust with regards to the following:</p> <ul style="list-style-type: none"> - Intermittent Self-Catheterisation – Response – No formulary or Trust guidelines in place, use pathway supplied by product manufacturer used (Coloplast). - Collecting Devices (Collecting devices fall under urology, specifically continence care) Response – No formulary or Trust Guideline in place – use information supplied by product manufacturers (Coloplast and Rochester Medical), including patient information leaflets / DVD. <p>Please note that this response does not constitute as consent for direct marketing.</p> <p>A copy of this response will be published on the Trust website.</p>
FOI14 301	<p>Please provide the following information:</p> <p>Please note the Isle of Wight NHS Trust came into existence on the 1.4.12 therefore we do not hold information prior to this date. If you require information prior to this date please contact the Department of Health.</p> <p>1) Does the trust manage patient and public car parks at its properties? Response – The Trust contracts the car parking onsite at St Marys to CP Plus Ltd</p> <ul style="list-style-type: none"> - If so, how are patients and members of the public charged and what are they charged? i.e. pay and display, pay on exit, ANPR, £10-per-hour. Response – Parking at St Marys is via a Pay-and-Display system, where the payment is paid on the receipt of the ticket. - How much does the trust – or a third party contracted by the trust – charge in fines and/or penalty notices if people are deemed to have breached parking rules? Response – Parking Charge Notice’s are £60, £35 if paid within 14 days. - How much money has been received in the last two financial years (2012-2013, 2013-2014) from the payment

of fines and/or penalty notices?

Response – In the years 2012/13 and 2012/14, £17,070 has been collected in fines/penalty notices.

- Does the trust – or a third party contracted by the trust – use debt collectors and/or solicitor's letters to pursue payment of fines and/or penalty notices?

Response – CP Plus will use debt collectors if fines are not paid within the timescale.

- Has the trust – or a third party acting on the trust's behalf – ever taken anybody to court over the payment of a fine and/or penalty notice? If so, how many?

Response – The Trust is not aware of any court actions regarding payment of fines/penalties in the years 2012/13 and 2013/14

- If so, how much has the trust spent on legal costs in the last two financial years (2012-2013 - 2013-2014)?

Response – The Trust have not spent any amount on legal costs during the years 2012/13 and 2013/14.

- How much has the trust paid to debt collection companies, solicitors firms and any other external body regarding the collection of fines and/or penalty notices in the last two financial years (2012-2013 - 2013-2014)?

Response – The Trust have not spent any amount on dept collecting companies during the years 2012/13 and 2013/14.

2) Does the trust use a third party company to manage patient and public car parks at its properties?

Response – The Trust contracts the car parking onsite at St Marys to CP Plus Ltd

- If so, what is the financial arrangement between the trust and company. i.e. is the company paid, does the trust receive money from parking fees?

Response – The company is paid a fee and the Trust receives income from the parking fees to offset the expenditure and provide security.

- How are patients and members of the public charged and what are they charged for parking? i.e. pay and display, pay on exit, ANPR.

Response – Parking at St Marys is via a Pay-and-Display system, where the payment is paid on the receipt of

	<p>the ticket.</p> <ul style="list-style-type: none"> - How much does the contracted company charge in fines and/or penalty notices if people are deemed to have breached parking rules? FOI14 306	Please provide the following information:

Please note the Isle of Wight NHS Trust came into existence on the 1.4.12 therefore we do not hold information prior to this date. If you require information prior to this date please contact the Department of Health.

Please provide the following information using the codes and details provided and please submit it on the spreadsheet provided

1. The number of children, and their ages, admitted during the past 5 calendar years (1st January 2009 to 31st December 2013 and this year to date, 2014) that had malnutrition.

In this request please consider 'children' to mean any patient age under 17 on the day of admission regardless of specialty.

As the numbers are likely to be small, please indicate which age band the patient falls into at date of admission using:

0-4 yrs
5-8 yrs
9-12 yrs
13-16 yrs

Please provide the total number of episodes per spell and then the individual episode number with the ICD10 codes and main OPCS code.

To identify qualifying admissions please consider ALL episodes in the spell and give details for all episodes not just those in which the relevant code may have appeared.

In this request please use ONLY the code set and guidelines provided in order to identify these admissions (spells) / individuals.

Code set = ICD-10 codes:
E40.X

E41.X
 E42.X
 E43.X
 E44.0/1
 E46.X

Please exclude any admission (spell) / individual where one or more of these codes appear in the same spell as any of the following codes:

K90.- / B22.2 / F50.- / R63.0

In order for us to identify the total number of patients involved please either identify each DIFFERENT patient using a unique ID (e.g. 1,2,3.....A1,A2,A3.....) on the spreadsheet provided OR provide separate information as follows:

	2009	2010	2011	2012	2013
Number of admissions with code in any position age 0-4				0	0
Number of admissions with code in any position age 5-8				0	0
Number of admissions with code in any position age 9-12				0	0
Number of admissions with code in any position age 13-16				0	0

	Total number of admissions with code in any position				0	0	0
	Number of individuals with code in primary position in any episode age 0-4				0	0	0
	Number of individuals with code in primary position in any episode age 5-8				0	0	0
	Number of individuals with code in primary position in any episode age 9-12				0	0	0
	Number of individuals with code in primary position in any episode age 13-16				0	0	0
	Total number of individuals with code in primary position in any episode				0	0	0
<p>Please note that this response does not constitute as consent for direct marketing.</p> <p>A copy of this response will be published on the Trust website.</p>							
FOI14 307	Please provide the following information:						

Please note the Isle of Wight NHS Trust came into existence on the 1.4.12 therefore we do not hold information prior to this date. If you require information prior to this date please contact the Department of Health.

1a. How many Inguinal Hernia Repair procedures were performed in the period 1st January 2013 to 31st December 2013 within the Trust?

Response – 266

1b. Of the total procedures (referred to in 1a) how many were performed laparoscopically?

Response – 24

1c. Of the total procedures (referred to in 1a) how many were performed by a conventional open surgical procedure?

Response – 242

1d. Of the total procedures (referred to in 1a) how many were performed as a day case procedure?

Response – 199

1e. A figure for the number of consultant surgeons who treated laparoscopic inguinal hernias in your trust in (a) 2012/13 and (b) 2013/14?

Response – *At present we can only identify the episode responsible consultant, and not the actual consultant who performs the surgery.*

Number of episode responsible consultants

a) 2012/13 – 3

b) 2013/14 – 3

1f. Figures for the number of laparoscopic inguinal hernias each consultant surgeon treated in (a) 2012/13 and (b) 2013/14? Eg. "1 consultant surgeon treated 100, 50, 20 and 5 inguinal hernias respectively".

Response – *At present we can only identify the episode responsible consultant, and not the actual consultant who performs the surgery*

Numbers for episode responsible consultants

a) 2012/13 – 15, 2, 1

b) 2013/14 – 1, 21, 2

2a. How many Ventral/incisional Hernia Repair procedures were performed in the period 1st January 2013 to 31st December 2013 within the Trust?

Response – 72

2b. Of the total procedures (referred to in 2a) how many were performed laparoscopically?

Response – 12

2c. Of the total procedures (referred to in 2a) how many were performed by a conventional open surgical procedure?

Response – 60

2d. Of the total procedures (referred to in 2a) how many were performed as a day case procedure?

Response – 27

3a. How many Umbilical Hernia Repair procedures were performed in the period 1st January 2013 to 31st December 2013 within the Trust?

Response – 68

3b. Of the total procedures (referred to in 3a) how many were performed laparoscopically?

Response – 2

3c. Of the total procedures (referred to in 3a) how many were performed by a conventional open surgical procedure?

Response – 66

3d. Of the total procedures (referred to in 3a) how many were performed as a day case procedure?

Response – 52

4a. How many Femoral Hernia Repair procedures were performed in the period 1st January 2013 to 31st December 2013 within the Trust?

Response – 22

4b. Of the total procedures (referred to in 3a) how many were performed laparoscopically?

Response – 1

4c. Of the total procedures (referred to in 3a) how many were performed by a conventional open surgical procedure?

Response – 21

4d. Of the total procedures (referred to in 3a) how many were performed as a day case procedure?

Response – 10

<p>FOI14 312</p>	<p>Please provide the following information: Please note the Isle of Wight NHS Trust came into existence on the 1.4.12 therefore we do not hold information prior to this date. If you require information prior to this date please contact the Department of Health.</p> <p>- On the dates of 28th June, 19th July, 30th July, 2nd August and 7th August 2014, how many ambulances were available during a) the day shift and b) the night shift across the Isle of Wight? Response – We plan our rotas to provide 10 ambulances for each 24 hour period (5 x day shift, 1 x late shift and 4 x night shift).</p> <p>28th June – 1 resource over planned level Day: 5 x Amb Late: 1 x Amb Night: 1 x RRV & 4 x Amb</p> <p>19th July – 2 resources over planned level Day: 1 x RRV & 5 x Amb Late: 1 x Amb Night: 1 x RRV & 4 x Amb</p> <p>30th July – At planned level Day: 5 x Amb Late: 1 x Amb Night: 4 x Amb</p> <p>2nd August – 1 resource over planned level Day: 1 x RRV & 4 x Amb Late: 2 x Amb Night: 4 x Amb</p>

7th August – 2 resources over planned level

Day: 1 x RRV & 5 x Amb

Late: 1 x Amb

Night: 1 x RRV & 4 x Amb

Please note that these figures represent the staffing levels for the dates requested. What it does not show are the Service's activity in relation to call demands, mainland transfers, GP admission numbers etc.

- During the months of June, July and August 2014, how many ambulances went on the road crewed with no paramedic?

Response – On the rare occasions that we staff an ambulance without a paramedic we usually have an additional paramedic available on a rapid response vehicle, which is able to the support that crew. Though without a paramedic, both staff are trained to EVO which is equivalent to all other NHS Ambulance Trusts level of Emergency Care Assistant.

We plan our rotas to provide 10 ambulances for each 24 hour period (5 x day shift, 1 x late shift and 4 x night shift).

June – of 300 planned resources 1 was double EVO (0.3%)

July – of 310 planned resources 2 were double EVO (0.6%)

August (up to 18th) – of 130 planned resources 2 were double EVO and 2 were 1 EVO & 1 BRC (1.5%)

- During the months of June, July and August 2014, how many ambulances have been covered by outsourced crews be it British Red Cross or St John's Ambulance either partially or fully? *(please provide figures for both partially and fully)*

Response –

June – of 300 planned resources - 0

July – of 310 planned resources - 0

August – up to 18th – of 180 planned resources – 2 (partially x 1 BRC)

- During the months of June, July and August, how many times were non-IOWAS ambulances used to respond to emergency calls?

Response –

Responding on behalf of Isle of Wight Ambulance Service:

	<p>June – 0 July – 0 August – 0</p> <p>Please note that various non-NHS providers (including BRC and SJA) provide First Aid and Ambulance cover for events across the Island. Within their remit they often respond to calls associated with those events utilising blue lights and sirens</p> <p>- During the year of 2014 to date, how many paramedics and EVOs have left the service either voluntarily or by compulsory means? Response – 4 paramedics, 1 EVO – all voluntarily</p> <p>- Of the numbers of paramedics/EVOs having left the service, how many were dismissed on the grounds of misconduct? Response – 0</p> <p>- During the year of 2014 to date, how many paramedics/EVOs have been newly-employed by the Isle of Wight Ambulance Service? Response – 8 paramedics</p> <p>- Please provide details on any new rules imposed on the restriction of overtime pay Response – No new rules have been imposed</p> <p>Please note that this response does not constitute as consent for direct marketing.</p> <p>A copy of this response will be published on the Trust website.</p>

FOI14 322

Please provide the following information:

Please note the Isle of Wight NHS Trust came into existence on the 1.4.12 therefore we do not hold information prior to this date. If you require information prior to this date please contact the Department of Health.

I am writing to obtain information about the amount your organisation pays to the Confederation of British Industry and its subsidiaries.

Please provide the amount paid to the CBI (and its regional subsidiaries)

(a) in membership fees

(b) fees for one off conferences or other events and

(c) fees paid to the CBI for any other services.

Please make clear if the response includes payments from any Non-Departmental Public Bodies, Executive Agencies etc which fall under the department and please provide a breakdown of what payments came from which agency/body.

Please provide this information for the period 2009-2014 set out by calendar or financial year.

If you are unable to provide all of this information within the time/cost limit please work up to the limit focusing on membership fees.”

Response –

2012/13 – Nil

2013/14 - Nil
