Numbers relate to Inpatient admissions only as we do not hold Primary Care data. Numbers are based on Patient registered GP code (East Cowes Surgery compared to other GP Practices on the Island). The chest/breathing related illnesses Included within this request are: Malignant primary/secondary Cancer of Lung/Pleura, Asthma, Acute, Chronic and Unspecified Bronchitis and Emphysema

A&E attendances are not included as we don't code these conditions specifically so the figure would not be accurate.

Codes used (in all position) – C78.0
C34.-
C38.4
C78.2
J40.-
J20.9
J41.-
J42.X
J43.-
J45.-
J46.X

Response – 2012/13 – 88 Inpatient admissions (6.5%) for patients registered at East Cowes Medical Centre compared to 1,350 admissions for patients registered in other Isle of Wight GP Practices

2013/14 - 120 Inpatient admissions (6.9%) for patients registered at East Cowes Medical Centre compared to 1,747 admissions for patients registered in other Isle of Wight GP Practices

Please note that this response does not constitute as consent for direct marketing.

A copy of this response will be published on the Trust website.

FOI14 328

Please provide the following information:

Please note the Isle of Wight NHS Trust came into existence on the 1.4.12 therefore we do not hold information prior to this date. If you require information prior to this date please contact the Department of Health.

1) What are your trust's criteria for qualifying for NHS funded breast augmentation?

Response – To qualify for funding of Breast Augmentation – a request must be submitted to the CCG under the Individual Funding Request process for low priority procedures – see website link below:

[Low Priority Procedures](#)

**The specific policy for Cosmetic Breast surgery is list on this page – link
<http://www.isleofwightccg.nhs.uk/Downloads/Low%20Priority%20Procedures/PS15%20-%20080912%20Cosmetic%20Breast%20Surgery.pdf>**

Contractually the Trust is bound by these policies and procedures will not be funded unless prior approval is given by this process.

2) How many women have have undergone NHS funded breast augmentation for cosmetic purposes in the past three years?(August 2011-August 2014)? Please breakdown each case by year/ age/ cup size.

Response –

2012/13 = 1 patient aged 66 years old

2013/14 = 0 patients

2014/15 to date = 0 patients

Please note to ascertain cup size we would need to review the patients case notes, this would constitute personal data as defined within the Data Protection Act 1998 and is therefore exempt under s.40(2) of the Freedom of Information Act 2000.

3) In the last three years, how many patients have received revision surgery on the NHS following a complication resulting from breast augmentation for cosmetic purposes?

	<p>Please breakdown each case by year/ age/ cup size.</p> <p>Response – 2012/13 = 1 patient aged 45 years old 2013/14 = 0 patients 2014/15 = 1 patient aged 62 years old</p> <p>Please note to ascertain cup size we would need to review the patients case notes, this would constitute personal data as defined within the Data Protection Act 1998 and is therefore exempt under s.40(2) of the Freedom of Information Act 2000.</p> <p>4) How many patients in question 3 had previously been treated privately in the UK or abroad? Response – To ascertain this information would require a manual examination of patients health records which would constitute personal data as defined within the Data Protection Act 1998 and is therefore exempt under s.40(2) of the Freedom of Information Act 2000.</p> <p>Please note that this response does not constitute as consent for direct marketing.</p> <p>A copy of this response will be published on the Trust website.</p>
FOI14 336	<p>Please provide the following information:</p> <p>Please note the Isle of Wight NHS Trust came into existence on the 1.4.12 therefore we do not hold information prior to this date. If you require information prior to this date please contact the Department of Health.</p> <p>The focus is on whether qualified nurses are managing to secure jobs despite not passing numeracy and literacy skills.</p> <p>1. How many applications for nursing posts did you receive from qualified nurses (bands 5 and above) in:</p> <ul style="list-style-type: none"> a) 2011 b) 2012 c) 2013

d) To date this year
Response -
2013/14 = 134
2014 (to date) = 49

2. Of those, how many were invited for interview? Please state the number for each of the years in Question 1.
In March 2014 a new NHS Jobs system (the system through which we manage all of our recruitment processes) was implemented nationally. We therefore no longer have access to the data held on the previous NHS Jobs system and are unable to access the data required to answer this enquiry for the period preceding March 2014.

3. How many nurses were required to undertake a numeracy and/or literacy test in:
a) 2011
b) 2012
c) 2013
d) 2014

Response - N/A, we do not undertake literacy and numeracy tests.

4. For each of the years in question 3, what percentage of nurses passed the tests?
Response - N/A, see answer to question 3.

5. In each of the following years, how many nurses who applied for jobs were unsuccessful because they failed (please give head count and then percentage figure in brackets):

a) Numeracy test
b) Literacy test
c) Both numeracy and literacy test

Response - N/A, see answer to question 3.

Please note that this response does not constitute as consent for direct marketing.

A copy of this response will be published on the Trust website.

FOI14 357

Please provide the following information:

1. The papers, minutes and agenda for all remuneration committee meetings from 2005/06 until the present – although I do appreciate that the earlier records might not be available (e.g. mergers/demerger/deleting records etc) and any records you have would be happily received.
2. The papers, minutes and agenda for all audit committee meetings from 2005/06 until the present – although I do appreciate that the earlier records might not be available and any records you do have would be happily received.

Response – To identify, locate, retrieve and extract data to comply with your request would exceed the cost limit as defined within Section 12 of the Freedom of Information Act 2000 therefore this information is exempt.

However, both the Remuneration and Nomination Committee and the Audit and Corporate Risk Committee report to Trust Board. A summary report in relation to the Remuneration and Nomination Committee and minutes of the Audit and Corporate Risk Committee are contained within the Board papers. Trust Board papers are readily accessible on the Trust website and are therefore exempt under Section 21 of the Freedom of Information Act 2000. To assist you we have included the link to the Trust website www.iow.nhs.uk/about-us/our-trust-board/2014-board-papers.htm

Minutes for Remuneration and Nomination Committee constitute personal data as defined under the Data Protection Act 1998 and are therefore exempt under Section 40(2) of the Freedom of Information Act 2000.

Whilst we note that you have offered the Trust the opportunity to enter into a confidentiality contract with you, the spirit of the Freedom of Information Act 2000 is to release non-personal and non-exempt information about a public authority into the public domain. The Trust also publish all responses to Freedom of Information requests on the Trust website, therefore the Trust decline the offer to enter into a confidentiality contract with you.

FOI14 359

Please provide the following information:

	<p>How many incidents of theft have there been from patients at the trust in the last three financial years? Response – Nil</p> <p>Could I have the figures broken down by per year and per each hospital in the trust? Response – N/A</p> <p>Can you break them down to show how many were inpatients and how many were outpatients? Response – N/A</p> <p>Where possible could you please list the items that were reported stolen and the value of the items? Response – N/A</p> <p>How many times during this time frame have you had to call in the police to investigate a theft? Response – N/A</p>
FOI14 361	<p>Please provide the following information:</p> <p>How many of each of the following AHP professionals did you have working on a temporary (agency) basis on 1st September 2014?</p> <ul style="list-style-type: none"> - Dieticians - Occupational Therapists - Physiotherapists - Speech and Language therapists - Imaging Professionals (e.g. Mammographers, Radiographers, Sonographers) <p>Response - Dietician = 1 Occupational Therapists = 6 Physiotherapists = 0 Speech and Language Therapists = 0 Imaging Professionals = 0</p>

FOI14 362

Please provide the following information:

1. Does the hospital follow NICE/SMC or AWMSG guidance or is there a separate process for inclusion on formulary.

Response – NICE is automatically followed with inclusion on the formulary and Drugs Advisory Committee overview. Others are reviewed by the Drugs Advisory Committee, using national information sources to inform inclusion to the formulary.

2. Is the hospital part of an APC and if so which one?

Response – yes, Drugs Advisory Committee for IOW

3. Does the hospital use Patient Controlled Analgesia and if so for which procedures?

Response - Yes the hospital does use Patient Controlled Analgesia. They are not used for specific procedures, but may be used at the discretion of the anaesthetists / surgeons for post-surgical patients and at ward doctors discretion or acute pain team advisement for other painful conditions depending on individual patient circumstances.

4. If yes are these pumps, owned, rented or part of a contract/purchase volume deal?

Response - Our pumps are owned by the hospital.

5. Does your hospital run an Enhanced Recovery Programme and if yes what types of operations are included?

Response – Yes the hospital does have an Enhanced Recovery Programme and the principles are used in all major surgical cases and on the medical wards when appropriate – surgical cases include major colorectal surgery, major gynaecological surgery and major orthopaedic surgery (e.g. hip and knee replacement).

6. If your hospital formulary differs from that of the local CCG, please can you provide the formulary positions of the following drugs used in the treatment of pain according to their status as: suitable for primary care; suitable for secondary care initiation with follow up prescribing by a GP without a shared care agreement; suitable for secondary care initiation with follow up prescribing by a GP under a shared care agreement; suitable for secondary care prescribing only; not recommended/non-formulary.

Response -

Isle of Wight wide Formulary published on Trust website, information readily available.

7. Please can you provide me with a link to your formulary?

Response - <http://www.iow.nhs.uk/Pharmacy/eformulary.htm>

8. Please can you provide me with a link to any additional pain medication prescribing guidelines that sit alongside the formulary?

Response – linked in formulary

FOI14 363

Please note the Isle of Wight NHS Trust came into existence on the 1.4.12 therefore we do not hold information prior to this date. If you require information prior to this date please contact the Department of Health.

Please provide the following information:

1. The number of staff suspended for alleged theft of drugs on hospital or medical premises in the calendar years 2013 and 2014 to date.

	<p style="text-align: center;">Response - None.</p> <p>2. The number of staff suspended for alleged substance misuse during the calendar years 2013 and 2014 to date. Response – 2013 – None. 2014 - We can confirm this information is held however to disclose exact numbers has the potential to lead to an individual being identified and this constitutes personal data as defined within the Data Protection Act 1998 and is therefore exempt under s.40(2) of the Freedom of Information Act 2000. However we can confirm it was less than 5.</p> <p>3. For each case identified in question 1, please specify the drug(s) that were alleged to have been stolen. Response - N/A, see response to question 1.</p> <p>4. For each case identified in question 2, please specify the drug(s) that were alleged to have been misused. Response – Please see response to question 2.</p> <p style="text-align: center;">For questions 1 and 2, please provide the figures for each calendar year separately.</p> <p style="text-align: center;">Please disregard questions 3 and 4 if attempting to answer them would breach the cost limit.</p> <p style="text-align: center;">Please note that this response does not constitute as consent for direct marketing.</p> <p style="text-align: center;">A copy of this response will be published on the Trust website.</p>
FOI14 364	<p style="text-align: center;">Please provide the following information:</p> <p>Please provide the following information for each of your wheelchair services in respect of wheelchair provision <i>for people with Motor Neurone Disease</i>. Should you be unable to provide these details for people with Motor Neurone Disease, please provide the data for each wheelchair service, for their full client base.</p> <p>1. How many people with Motor Neurone Disease do you have on your current caseload?</p>

Response – 5

2. What is the average waiting time in working days, from date of referral to date of delivery for an EPIC wheelchair?

Response – Only Salsa’s issued which are EPIOCs

3. What is the average waiting time, in working days, from date of referral to date of delivery for an EPIOC wheelchair?

Response – 33days

4. What is the average waiting time in working days, from date of assessment to date of delivery for an EPIC wheelchair?

Response – N/A see question 2

5. What is the average waiting time, in working days, from date of assessment to date of delivery for an EPIOC wheelchair?

Response – 28days

6. What has been the longest waiting time in working days from date of referral to date of delivery for an EPIC wheelchair, during the last 12 months?

Response – N/A see question 2

7. What has been the longest waiting time in working days from date of referral to date of delivery for an EPIOC wheelchair, during the last 12 months? 49days

Response – 49days

Notes

EPIC – Electrically powered indoor wheelchair
EPIOC – Electrically powered indoor outdoor wheelchair

FOI14 365

Please provide the following information:

1. How many vacancies do you currently have within the emergency department (A&E) for all grades of doctors?

Response - One.

2. What are those positions?

Response - LAS FY1.

3. How many vacancies do you expect to have available a year from now (all grades of doctors)?

Response - This is not a request for information held.

4. What positions do you have most difficulty filling?

Response - Consultant posts.

5. According to House of Commons Health Committee report issued in regards to the urgent and emergency services (second report of session 2013-2014) ***“A minimum of 10 consultants are required in order to deliver a 16 hour presence during working week in the emergency department.”*** Is the trust currently meeting this minimum requirement?

Response - This is not a request for information held.

6. How many locums do you currently have working within the emergency department (A&E)?

Response - One.

7. Do you often hire from outside sources?

Response - This is not a request for information held.

8. Would you be willing to try a new recruiter?

Response - This is not a request for information held.

9. What percentage do you pay?

Response - As per Crown Commercial Services contract dictates.

Please note the Isle of Wight NHS Trust came into existence on the 1.4.12 therefore we do not hold information prior to this date. If you require information prior to this date please contact the Department of

	<p style="text-align: center;">Health.</p> <p style="text-align: center;">Please note that this response does not constitute as consent for direct marketing.</p> <p style="text-align: center;">A copy of this response will be published on the Trust website.</p>
FOI14 366	<p style="text-align: center;">Please provide the following information:</p> <ol style="list-style-type: none"> 1. The cost to the Trust, both a) gross and b) net of treating private patients in the years 2009/2010, 2010/11, 2011/12, 2012/13 and 2013/14. <p style="text-align: center;">Response - Please see attached for costs relating to 2012/13 and 2013/14.</p> 2. Details of capital investment in facilities to be used a) exclusively and b) predominantly for the treatment of private patients in the years 2009/2010, 2010/11, 2011/12 and 2013/14. <p style="text-align: center;">Response - Please see attached for costs relating to 2012/13 and 2013/14</p>
FOI14 368	<p style="text-align: center;">Please provide the following information:</p> <p>Within your organisation how many patients have been treated with a “botulinum toxin A” drug in the past 6 months; split by the brand used (Botox, Dysport or Xeomin) for the following conditions;</p> <ul style="list-style-type: none"> - Focal spasticity - Spasmodic torticollis (Cervical Dystonia) <ul style="list-style-type: none"> - Blepharospasm - Hemifacial spasm - Paediatric cerebral palsy spasticity <ul style="list-style-type: none"> - Chronic Migraine - Idiopathic overactive bladder

If possible, please enter the information into this table;

Response –

Condition	Total Patients	Botox	Dysport	Xeomin
Focal spasticity	44			44
Spasmodic torticollis	3		1	2
Blepharospasm	14		8	6
Hemifacial spasm	5		2	3
Paediatric cerebral palsy spasticity	0			
Chronic Migraine	3		2	1
- Idiopathic overactive bladder	19		19	

FOI14 369

Please provide the following information:

I am requesting “under the Freedom of Information Act”, the number of patients within your NHS Trust that are currently been treated with Haemochromatosis. These patients will receive treatment in the Gastroenterology or Haematology Departments. The number of patients in a 12 month period up to the end of your last financial year will suffice.

Response – To ascertain this full information will involve a manual examination of patient health records which constitutes personal information as defined within the Data Protection Act 1998 and is therefore exempt under s.40(2) of the Freedom of Information Act. However we do hold the below figures:

FOI14 370

Please provide the following information:

Could you please send me over a list of names within the clinical coding department identifying the split between permanent coders and contractors.

Response – Names of staff constitute personal data as defined within the Data Protection Act 1998 and are therefore exempt under s.40(2) of the Freedom of Information Act 2000.

FOI14 371

Please provide the following information:

1. The number of dog attack injuries treated within your area for the years 2004 to present.

Code used (in any position) W54.- (Contact with dog) with a corresponding code from S00 - T98

Response – 0

2. The number of people aged 65 or over that have been treated for sexually transmitted diseases in your area for the years 2004 to present.

Inpatient data only. Data based on "Age on Admission: 65 and over". Codes Used (in any position):

A50 - A64 (except A50 - congenital)

B20 – B24 for HIV

B15 – B19 for hepatitis

B97.7 for papillomavirus

Response – 2012/13 - 5

2013/14 - 6

Apr-2014 – Jul-2014 - 1

3. The number of people aged 65 or over that have been treated due to the use of illegal drugs for the years 2004 to present. By illegal drugs I mean drugs that are class A,B or C in the United Kingdom In 2014.

Inpatient data only. Data based on "Age on Admission: 65 and over". Codes Used (in any position):

F11 - F19:

F15 includes caffeine and 'legal highs'; cannot differentiate between the legal and illegal drugs covered by this code.

F55 - these codes also cover legal substances

T36 - T50:

T40, T41
T43 - these codes also cover legal substances
T62 - noxious substances eaten as food i.e. miaow miaow (plant food taken as legal high)
T65
X41 (also covers legal substances)
X42
X44
X61,X62, X85, (again includes legal substances)
Z71.5 drug abuse counselling
Z50.3 Drug rehab
Z72.2 Drug use

Response – F11 – F19: (Mental and Behavioural disorders due to psychoactive substance use)

2012/13 - 208
2013/14 - 277
Apr-2014 – Jul-2014 - 149

T36 – T50: (Poisoning by drugs, medicaments and biological substances includes both accidental or intentional overdose)

2012/13 – 36
2013/14 - 38
Apr-2014 – Jul-2014 - 14

As mentioned above in some instances it is impossible to determine whether an illegal or legal drug has been consumed, i.e. code X61 will be coded for a patient who overdosed on antidepressants and/or psychostimulants.

Portal

Others (please list) -----

Do you have a CCIO

**Response –
No**

What speciality is your CCIO from

Response – N/A

How many session per week does your CCIO undertake

Response – N/A

FOI14 373

Please provide the following information:

For each question, please delete as appropriate within each [Y / N] box, before providing any requested additional details in the provided table.

1. Has any of the equipment in your diagnostics imaging department been sourced under a Managed Equipment Service (MES)? [N]

MES is broadly defined as the outsourcing of the long term asset lifecycle management of diagnostic imaging equipment, often for a fixed yearly fee. This includes the provision and installation of the equipment (on a leased basis), maintenance, upgrades and replacements during the life of the contract.

Response –

a) If Yes, please complete the table below with the relevant details.

Response –

	Imaging modality (E.g. CT/ MRI)	Number of machines	Original Equipment Manufacturer	MES service provider	MES contract start date	MES contract length
1						
2						
3						
4						
5						
6						
7						
8						

b) If Yes, what asset replacement agreement is included within the MES contract?

Response –

Guaranteed “State of the art” upgrades as and when latest technology becomes available	[Y / N]
Defined replacement & upgrade dates throughout contract	[Y / N]
Other	<i>Please specify</i>

c) If No, do you have plans to procure any imaging modalities through MES in the next 12-months? **[N]**

Response –

d) If Yes, are these for existing or new (additional) machines? [Existing/New/Both]

Response –

2. Does the Trust currently provide any diagnostic imaging services in community settings? **[Y]**

Response – Limited Ultrasound service

a) If Yes, please fill in the table below with the requested details of these services.

Response –

Service location	Provider Name (e.g. The Trust/ 3 rd party/ independent provider)	Modality (e.g. MRI / CT)	Service type (Static / mobile)	Number of scans processed in last 12 months
Sandown GP Practice	IW NHS Trust	Ultrasound	Static	350

b) If No, are you planning such a service in the next 12 months? [Y / N]

Response –

3. Please provide the number of inpatient, outpatient and GP direct access scans for MRI and CT in the last twelve months. Please use the table below.

Response –

	Modality	MRI			CT		
	Referral type	Inpatient	Outpatient	GP direct access	Inpatient	Outpatient	GP direct access
	Number of scans	347	2571	927	2025	3830	327
FOI14 374	<p>Please provide the following information:</p> <ol style="list-style-type: none"> Please can you confirm from where you currently order 'safety lancets for diabetes testing' for each hospital from (e.g. Unistick3, Safe-T-Pro)? Response – lancets are supplied by the NHS Supply Chain – covering the whole organisation. Please can you confirm the details of the person to contact regarding an alternative supplier for each hospital? Response – Names of staff constitute personal data as defined within the Data Protection Act 1998 and are therefore exempt under s.40(2) of the Freedom of Information Act 2000. Please can you confirm the volume (in individual pieces) of safety lancets ordered in the last 12 months for each hospital? Response – Individual pieces = 113,600 						
FOI14 375	<p>Please provide the following information:</p> <p>Could you please let me know</p> <ol style="list-style-type: none"> 1. the contact details of the head of your procurement department Response – This constitutes personal data as defined within the Data Protection Act 1998 and is therefore exempt under section 40(2) of the Freedom of Information Act 2000. 2. the contact details of the procurement officer who is in charge of medical monitor purchase Response – This constitutes personal data as defined within the Data Protection Act 1998 and is therefore exempt under section 40(2) of the Freedom of Information Act 2000. 3. Is there any framework you are using for the purchase of monitors for radiology and endoscope and 						

	<p>Response – This is a question and does not constitute a request for information held, however to advise and assist for future opportunities we can confirm that if the value of the procurement is over £10k the Trust would seek 3 competitive quotations, over £50k then a competitive tender or a national framework (such as those provided by NHSSC and other Strategic Partners of the Procurement Service) would be used. The Procurement Service is currently provided by NHS South of England Procurement Service and their electronic tenders are published via the In-Tend eTendering portal – information on how to register to this portal can be found on the website of the Procurement provider.</p> <p>4. The contact details of the head/manager of the radiology or imaging department for the hospital under your trust ?</p> <p>Response – This constitutes personal data as defined within the Data Protection Act 1998 and is therefore exempt under section 40(2) of the Freedom of Information Act 2000. However some information regarding the Radiology Department is readily available on the Trust website www.iow.nhs.uk/our-services/acute-care-services/diagnostic-imaging/diagnostic-imaging.htm</p>
FOI14 376	<p>Please provide the following information:</p> <p>1. How many women accepted prenatal screening for foetal anomaly in each of the last five years for which records are available; Response – 12/13 = 1291 13/14 = 1387 This includes all women who booked for care before 20 wks gestation and excludes all late transfers in who were screened else where and late bookers after 20 wks.</p> <p>2. How many women refused prenatal screening for foetal anomaly in each of the last five years for which records are available. Response – 12/13- none 13/14= 4</p>

	<p>All women who booked for care before 20 wks have accepted all or some parts of fetal anomaly screening. 4 women booked but then opted to terminate their pregnancy so have been counted as a decline. Those women who miscarried before the first scan appt have not been counted as declines.</p> <p>For the avoidance of confusion, the figures should include both first and second trimester screening if appropriate and practicable. The two figures provided by your trust ought to correspond to the total number of recorded pregnancies in your area.</p>														
FOI14 377	<p>Please provide the following information:</p> <p>Under the Freedom of Information Act can you please advise me how many women over the age of 45 years and over attended for screening (in sexual health) during 2000, 2006 and 2013 and how many in this group were diagnosed with chlamydia, gonorrhoea, HPV, HSV, HIV during these years?</p> <p>Response – Data for 2000 & 2006 with Department of Health.</p> <table data-bbox="981 820 1330 1054"> <tr> <td></td> <td style="text-align: center;">2013</td> </tr> <tr> <td>Attended:</td> <td style="text-align: right;">778</td> </tr> <tr> <td>Chlamydia:</td> <td style="text-align: right;">2</td> </tr> <tr> <td>Gonorrhoea:</td> <td style="text-align: right;">0</td> </tr> <tr> <td>HPV:</td> <td style="text-align: right;">18</td> </tr> <tr> <td>HSV:</td> <td style="text-align: right;">6</td> </tr> <tr> <td>HIV:</td> <td style="text-align: right;">0</td> </tr> </table>		2013	Attended:	778	Chlamydia:	2	Gonorrhoea:	0	HPV:	18	HSV:	6	HIV:	0

Attended:	778														
Chlamydia:	2														
Gonorrhoea:	0														
HPV:	18														
HSV:	6														
HIV:	0														
FOI14 378	<p>Please provide the following information:</p> <p>1. How many NEW patients (de novo) were diagnosed in your Trust with Ulcerative Colitis or Crohn’s disease in the last financial year 2013/14?</p> <p style="text-align: center;"><i>Codes Used (in any position): The UC = K51.8 K51.9</i></p>														

Crohn's = K50.0 K50.1 K50.8 K50.9

Response – 86 patients were admitted to hospital coded with Ulcerative Colitis or Crohn's disease (in any position) that have not been admitted and coded with these in previous years.

2. How many of those patients were treated with infliximab and/or another biologic?

Please use the table below if possible:

Response – To ascertain this information would involve a manual examination of patients health records which constitutes personal data as defined within the Data Protection Act 1998 and is therefore exempt under s.40(2) of the Freedom of Information Act 2000.

	Ulcerative Colitis and Crohn's Disease Patients
Total new patients 2013/14	
New patients treated with Infliximab	
New patients treated with other biologic	

FOI14 379

Please provide the following information:

1. In the 2013/14 financial year how much did your trust spend on interpreters so that patients who could not speak English were able to communicate with hospital medical staff?

Response –

It is not possible to identify the costs of sign language interpreters from other translation services received during the last financial year. The total spend for all interpretation services was £19,543.52.

2. How many hospital appointments were booked for patients in the 2013/14 financial year where they needed to have an interpreter?

	<p style="text-align: center;">Response – This information is not held.</p> <p>3. How many hospital appointments were booked for patients in the 2013/14 financial year where they needed to have an interpreter but the patient failed to attend the appointment? Response – We do not pre-book our interpreter services.</p>
FOI14 380	<p style="text-align: center;">Please provide the following information:</p> <p>Please could you advise if your Trust has a policy about or related to partners of women on postnatal wards staying overnight and we would be very grateful if you could you attach the policy to this email and respond. Response- we do not have a specific policy and at present our ward configuration does not allow for partners to stay. However each request for a partner to stay is assessed on an individual basis. We do have a fold away bed that partners can use if necessary.</p>
FOI14 381	<p style="text-align: center;">Please provide the following information:</p> <p>Please can you provide me with your policies, procedures and practice guidance around IVF and IUI. Please also provide any policy you have around fertility/infertility treatment in for same-sex couples and single women; if such a policy does not exist please provide an explanation. Response – The Isle of Wight NHS Trust follows local Clinical Commissioning Group Guidance with regards to IVF and IUI treatment. Please see the web address given below to the CCG website for their Low Priority Procedure guidelines (PS150).</p> <p>http://www.isleofwightccg.nhs.uk/health-and-services/low-priority-procedures/low-priority-procedures.htm</p> <p>Please provide the annual spend during each of the past 5 financial years (or jan to jan if that is easier to calculate) the following: -IVF (irrespective of whether or not ICSI was used) - IUI - use of donated sperm</p>

	<ul style="list-style-type: none"> - use of donated eggs - use of donated embryos <p>- the use of drugs to enhance fertility but that did not require the patient to be referred to a specialist clinic (e.g. clomid prescription via GPs)</p> <p>Response – The Isle of Wight NHS Trust does not provide this treatment – patients are referred to specialist centres.</p> <p>During each of the last 5 financial years (or jan to jan if that is easier to calculate) how many mixed-sex couples, same-sexed couples and single people have received, via the Trust (please provide data for each group)</p> <ul style="list-style-type: none"> - IVF - IUI - donated sperm - donated eggs - donated embryos <p>Response – See response given above</p> <p>Finally, for each of the last 5 financial years (or jan to jan if that is easier to calculate) how many total requests IVF and IUI (including those who require donated sperm, eggs or embryos) has the trust received, how many funded and how many refused. How many of these requests were from mixed-sex couples, same-sexed couples and single women?</p> <p>Response – See response given above</p>
FOI14 382	<p>Please provide the following information:</p> <p>I'd like to get informations about this year round of Clinical Excellence Awards:</p> <ul style="list-style-type: none"> - what was the composition of The Awarding Committee, who was sitting on it? <p>Response – Names of staff constitute personal data as defined within the Data Protection Act 1998 and are therefore exempt under s.40(2) of the Freedom of Information Act 2000.</p> <ul style="list-style-type: none"> - how many applicants applied? <p>Response – 26</p>

- how many points were awarded and what was the distribution of the points.
**Response – 11 points awarded across 8 applicants.
3 applicants received 2 points each and 5 applicants received 1 point each.**

FOI14 383

Please provide the following information:

Part A

1. Please state, which business directory the trust or CCG uses when searching for suppliers.

Response – Because we are part of a Collaborative Procurement Service we initially look at which suppliers previously tendered for this requirement and invite them again, we also look at what suppliers our other clients previously are using, and which suppliers are on national framework (eg NHS Supply Chain, Crown Commercial Solutions, NHS Commercial Solutions, Health Trust Europe, London Procurement Project, etc).

All of our quotation and tender responses are returned issued and returned via the In-Tend electronic tendering portal and in the future we are looking at advertising all our future opportunities via the NHS South of England Procurement service website, at present we only advertise those above £100k in the Official Journal of the European Union and there are several portals which give access to this data (such as Tenders Electronic Daily - TED).

2. Does a company need to have a listing in a particular business directory in order for the trust or CCG to consider the company as a potential supplier?

Response – We would recommend registering with both NHS South of England Procurement Services In-Tend eTendering portal and on TED for over OJEU opportunities.

3. What is the name of the online business directory used by the trust or CCG?

Response – See above responses.

4. What is the procedure in setting up a business contract with the trust or CCG?

Response – See above responses.

Part B

1. Which funeral director does the trust or CCG use? What is the reasoning for using this particular funeral director?
Response – Cooperative Funeralcare, Lake, Isle of Wight. Successful tender
2. Is there a contract with this funeral director?
Response – Yes
3. What is the name of the firm, company and/or individual used by the trust or CCG, in order to help find missing or unknown family members in order to arrange a funeral?
Response – N/A
4. Is there a contract with this firm, company and/or individual? **Response- N/A**
What is the reasoning for using this particular firm, company and/or individual?
Response – N/A
5. If a funeral needs to take place and there are no family members or next of kin who can arrange the funeral, who is responsible for finding missing or unknown family members? Please provide contact name and details.
Response – Names of staff constitute personal data as defined within the Data Protection Act 1998 and are therefore exempt under s.40(2) of the Freedom of Information Act 2000.
6. Within the trust or CCG who refers information to the council, Duchy of Cornwall, Duchy of Lancaster, Ultimus Haeres, QLTR, Farrer & Co and/or Treasury Solicitor and/or Bona Vacantia, and/or ? Please provide name and contact details.
Response – Please see response to question 5.
7. Does the trust or CCG refer these deaths to the local council in which a public health funeral is necessary?
Response – No
8. What are the contact details of the person (within the trust or CCG) who refers these deaths to the council?
Response – Please see response to question 5.
9. Within the last 12 months, how many referrals has the trust or CCG made to either the council, Duchy of Cornwall, Duchy of Lancaster, Ultimus Haeres, QLTR, Farrer & Co and/or Treasury Solicitor (or Bona Vacantia)?

Response – One

10. Of the cases that have been referred (to the above mentioned bodies), please provide:

- Date of referral made to any of the above mentioned bodies
- Reason for not referring to the above mentioned bodies
 - The name of the deceased
 - Date of death
 - Last known address
 - Place of death
 - Date of birth
 - Have family members and/or next of kin been contacted?
- Who contacted their family members and/or next of kin? (name and contact details)

Response – This information constitutes personal data as defined within the Data Protection Act 1998 and is therefore exempt under s.40(2) of the Freedom of Information Act 2000.

10. Are these details published online? Please provide URL and name of website.

Response – No

11. Are obituaries published for these funerals, in order for friends and/or family members (who are not aware of the death) to attend the funeral? What is the name of the website/publication in which these obituaries are placed?

Response – No

FOI14 384

Please provide the following information:

- The total number of patients removed from your elective inpatient waiting list, in each quarter of each of the last five years

Response –

	Remov ed
Q1 12- 13	1802

Q2 12-13	2034
Q3 12-13	1959
Q4 12-13	1917

FOI14 388

Please provide the following information:

- How many children (under 18s) have been given the contraceptive implant for each of the last five years (2010, 2011, 2012, 2013, and 2014 so far)?

Response: – For 2010 and 2011 data please contact the Department of Health.

2012: 23 2013: 16 2014: 4

- Please provide a breakdown by age of all children given the contraceptive implant for each of the last five years (2010, 2011, 2012, 2013, and 2014 so far). Please consider all ages from the youngest person given the implant up to and including those given the implant aged 17. For the answer to this question, a table like this may help illustrate the information I am asking for:

Response: - For 2010 and 2011 data please contact the Department of Health.

										Total
	Age 9	10	11	12	13	14	15	16	17	
2012	0	0	0	0	0	0	3	11	9	23
2013	0	0	0	0	0	2	1	5	8	16
2014 so far	0	0	0	0	0	0	1	1	2	4
Total	0	0	0	0	0	2	5	17	19	43

FOI14 400

Please provide the following information:

How many times Mr Kenny has performed Haemostasis with Bipolar and when he received training for that procedure?

Response – The information regarding training is an individual’s personal data as defined within the Data Protection Act 1998 and is therefore exempt under s.40(2) of the Freedom of Information Act 2000.

Haemostasis with Bipolar – The Trust does not hold this information.
