Please find below/attached the Isle of Wight NHS Trust's response to your request.

There is currently a company-wide Health focus looking at the technology solution requirements of the Health sector. My brief within this project is to assemble a database of the likely type of person(s) that would benefit from this focus, IT manager/director and Telecoms Manager for organisations within Health. I'm looking for their first names, surnames, contact numbers and email addresses.

However, we can advise that this falls within the remit of Jon Burwell, Director for Strategy and Planning. Further details about the Trust and the roles of its Directors is readily available on the Trust website. www.iow.nhs.uk
