I am from the Learning Disability Team, my name is

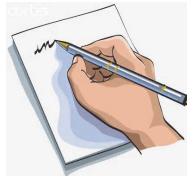

.....

and I have come to see you to try and help with some problems you are having

During the appointment I will ask you or your carers about your health and any difficulties you have. I will support you to improve your health and to see other people who can help you

I will write things down about you so I can remember all you tell me.

Sometimes we may want to share things you tell us with the people who can help you

other people in our team

and with your GP

and with your carers

We can write down a name here of anyone you don't want to know things about you

.....

.....

but if I was really worried about you I might need to tell someone things to keep you safe

Would you like to see me again? **YES** **NO**
